## UPDATE #17

DATE: 04/09/09

## OUTSOURCING

On April 1, 2009, Management presented a letter to the Local Union of their final disposition on Outsourcing.

Management's intent is to outsource a total of 200,000 standard hours, in varying increments over the next five (5) years. The local Union, along with the International Union, do not agree with the Company's benchmarking methods. We do not agree with the Company's estimates vs. the vendors estimates.

We have presented a grievance to the Company on the Outsourcing issue, which is now at the 2<sup>nd</sup> step level.

The International Union has met with our local Management informing them that they are in violation of Document 2 language of the 2008 UAW Rolls-Royce Agreement. We will keep everyone informed as Management proceeds down this hazardous path.

## VETERANS NEWS

On April 14<sup>th</sup> the Veterans Committee will be having a V.A. Benefit sign up day for any Veteran. Service officers from the Veterans Of Foreign Wars will be on hand to take your application for benefits. This will be at the Local Union Hall from 10:00 AM – 4:00 PM. Last year the Committee assisted 128 Veterans during this event.

## EASTER HOLIDAY

We will enjoy April 10<sup>th</sup> and April 13<sup>th</sup> as paid Holidays per the 2008 UAW Rolls-Royce Agreement. On behalf of all the elected and appointed members, we would like to wish you and your family a Safe and Happy Easter.
