

MAYWOOD/SCO

UPDATE #192

DATE: 10/26/04

Negotiations will officially start Thursday, October 28, 2004. This change is because Vice President Cal Rapson and Region #3 Director Terry Thurman, will attend the opening day along with their respective staffs.

The Shop Committee has been meeting the last few weeks getting our Demands and Concerns in order to present to the Management Negotiations Team.

President Allen Harris will be part of the Negotiation Team. This is just an example of the leadership Allen has brought to Local 933.

One (1) employee was called back from layoff effective 9/30/04. That leaves only thirty-four (34) production employees laid off. This includes the first twenty-one (21) of 2001.

We would like to thank all the UAW members and the Rolls-Royce employees for their donations to the Hurricane Relief Fund for the people in Florida. The total amount was \$12,510.00. The collection was \$6,255.00 and the company matched the donations. Again Thank You for your involvement.

November 2nd will be Election Day. Please take the time to go vote. We will make a choice for President, Governor, Congress Representatives, Senators and many others. Please make sure your vote is for people who support you and your family's views, and also the people you best think support the desires of working people, regardless of their political party.

We will observe Veterans Day, November 12, 2004 as a holiday. The Shop Committee would like to say your efforts and commitment does not go unnoticed. Thank You for the sacrifices you made to ensure the freedoms we enjoy today. Again Thank You Veterans!

REMEMBER BUY AMERICAN - BUY UNION MUST BECOME MORE THAN A SLOGAN!
