HOSTS

We are very pleased to announce that Rolls-Royce and UAW Local 933 will be awarded the HOSTS (Help One Student To Succeed) Betty Scharff Memorial Award at the HOSTS Learning 27th Annual Conference in Dallas, Texas on March 3, 2005. Over 1300 schools across the nation were eligible to nominate candidates for this award. Rolls-Royce and UAW Local 933 were recognized for their ongoing support and dedication to the HOSTS program at the M.S.D. of Wayne Township. We currently have 123 mentors serving in this program with 42 of them being UAW Local 933 members. We are very proud of winning this prestigious national award, and especially proud of the members of our Local who help to continue the UAW's community service. If you would like information about becoming a HOSTS mentor, please call the UAW/Rolls-Royce Training Center at ext. 5537.

PROFIT SHARING

Many questions have been asked about Profit Sharing for the calendar year 2004. At this time there is no information on Profit Sharing. If there is a pay out, it will be paid before March 15, 2005. Under the current 2000-2005 Collective Bargaining Agreement we are entitled to share in the profit, if there is one. As more information becomes available, we will share this with you through another Update.

NEGOTIATIONS

As anticipated, contract negotiations are proving to be very difficult. Management has raised many issues as we have as well. Our progress has been somewhat impacted by some of the recent announcements of business volumes. Even with this, positive things are happening. The Shop Committee will continue to work hard so we can achieve a fair and equitable Agreement for the membership.

REMEMBER BUY AMERICAN – BUY UNION MUST BECOME MORE THAN A SLOGAN!
