

MAYWOOD/SCO/UPDATE #226

DATE: 10/20/06

NEW HIRES

As of today 10/19/06, 93 new employees have been hired in our plants. We currently have replacement needs for 6 additional employees to replace members who have quit, retired, or passed away. We also have a regular retirement from production planned for 11/1/06. We welcome the new employees to our plants and continue to review the work force adjustment section of our Collective Bargaining Agreement (Document #3, page 143) for future growth of our work force.

NORTH STAR

A company, North Star Aerospace Inc., according to the media is opening a facility in Anderson, Indiana with a seven-year contract with Rolls-Royce for some machining work on different parts. These are not parts going out of our plants but purchased parts already out in the supplier network. The Local Union has been assured this will not result in any parts we produce going out of our plants.

ABSENTEE BALLOT CAMPAIGN

October 24, 2006, your elected representatives will have Absentee Ballot request forms to allow the Rolls-Royce/UAW employees an opportunity to vote by mail. Tables will also be set up in the cafeterias to offer ballot request forms. Absentee ballot request forms from employees will be collected by Bargaining representatives and volunteers, and processed to insure they are properly delivered to their respective County Clerks office.

We feel very strongly that every one in our plants should get involved and vote in this process; regardless of what party you belong too. Please take time to vote!

VETERANS COMMITTEE

The Veterans Committee has a banner that has been around since the Veterans Reunion to mail to our Indiana Service Women and Men. The banner will be in the front cafeteria at Plant #5 on November 1, 2006 from 11:00 AM to 1:00 PM - Plant #8 on November 2nd in the cafeteria from 10:30 AM to 12:30 PM. Please stop at one of the locations and sign the banner.

ShareSave

The 2003 ShareSave program is almost complete. The maturity date is December 1, 2006. All members enrolled in the plan should watch their mail for the ShareSave package to be mailed the week of October 23, 2006. All forms provided in the package must be returned by no later than November 10, 2006.

REMEMBER BUY AMERICAN – BUY UNION MUST BECOME MORE THAN A SLOGAN!
