*****TENTATIVE AGREEMENT*****

HEALTH CARE CHANGES

The International Union, UAW, and General Motors have reached a tentative agreement on changes to our Health Care Benefits. UAW Local 933 President Allen Harris and I will be traveling to Detroit (tomorrow) for a meeting with International Union officials. This meeting will take place on Thursday (10/20/05) for all UAW/GM Chairmen and Presidents and is intended to explain the proposed changes.

International Union officials will advise Locals of their scheduled explanation/ratification meeting date and time(s) to be held with the rank and file Membership. While date and time information is presently unknown, I can assure you the explanation/ratification meeting(s) for Local 933 will take place next week at our Union hall **and will accommodate all Members on ALL shifts**. I will notify the Membership as soon as details can be confirmed. Until then, I will make every effort to communicate general information with our Membership regarding the tentative agreement upon my return from the meeting in Detroit.
