

# **SPEEDWAY CHAIRMAN'S REPORT #342**

**DATE: 04/12/06**

## **WELCOME NEW MEMBERS**

On behalf of the entire Membership, I would like to extend a warm UAW Local 933 welcome to our newest fifteen (15) members who reported for work at our facility on Monday, April 3, 2006. During their first week, they participated in the Orientation Program. On Monday, April 10, 2006, they reported to their respective department/job assignments. Of the fifteen (15) new Members, two (2) were formerly from the Muncie Transmission plant with the remainder coming from Anderson-Delphi. Please join me in welcoming the group and helping them feel comfortable in their new assignments.

## **\*\* SPECIAL MEMBERSHIP MEETING (Reminder) \*\***

A Special Membership Meeting will be held at the Local 933 Union Hall on **Sunday, April 23, 2006** for the purpose of reading and approving proposed Constitutional Convention resolutions. This meeting is to begin at **2:00 P.M.** As has been reported, the deadline for submitting resolutions (National issues) was March 31, 2006. **NOTE:** A brief explanation of the entire approval process was outlined in a previous/recent Speedway Chairman's Report (#336) dated 2/22/06.

## **ELECTION RESULTS**

I would like to **thank** the entire Membership for taking part in yesterday's election for Delegates to the National Convention. As a result of your participation and support, the following candidates were elected to represent Local 933 (Speedway Unit) as your delegates to both the UAW National Convention and the Special Bargaining Convention: **Jimmy King, Tim Behrens, Gary Rance, Kenny Berger, Phil Doyle, Gary (Foot) Nicholas, and Stan Ames.** Congratulations!!!

**NOTE:** Official results to be posted on Union bulletin boards throughout the plants.

## **SPECIAL ATTRITION PROGRAM** **(Retirement/Buy-out information)**

Many questions were answered during the employee informational/explanation meetings held on Monday, April 10, 2006 relative to the Special Attrition Program. However, due to the extensive information/material and in the interest of providing **added clarity** to those considering the "offer", additional material is in the process of being prepared in a "question & answer" format. This would include answers to questions that were not covered during the meetings or that may have been generated afterwards.

The "question & answer" material is to be communicated on CCTV and in the "Impac today". I am told it should be available to employees later next week. I will also make this information available to the Membership through your Committeemen and/or in the Speedway Chairman's report (update).
