### **ATI SMOKING/TOBACCO POLICY**

As many are aware, ATI has communicated its intent to become a 'smoke/tobacco free' workplace. However, through discussion between the parties, an agreement has been reached to postpone a decision to become smoke free until the matter can be decided as part of the 2012 Collective Bargaining negotiations. Until then, you may continue to use the designated smoking areas as directed and feel free to take advantage of the Company paid smoking cessation classes as a health improvement opportunity.

### **ATI POLICY ON FIREARMS/WEAPONS**

As a result of changes made to Indiana gun laws recently passed by our Legislature and signed into effect July 1, 2011, Allison Transmission, Inc. has revisited its policy and made necessary revisions to be in full compliance with the new Indiana law. Employees who may be handgun/firearm owners are strongly encouraged to know and follow the law, particularly as it pertains to any change(s) made relative to possessing firearms on private/company property. Thank you!
