

RYDER LOGISTICS

CHAIRMAN'S REPORT #3

DATE: 2/26/07

As you all know, our Bargaining Agreement expires on **April 30th** of this year. Our Local President, Allen Harris, our Region #3 Director, Mo Davison, and myself; have signed a sixty-day notice. This notice is to inform the company that we intend to modify our current Agreement. A preliminary meeting will take place on February 28th between the Union and Ryder management. This will only be an introductory meeting.

You have all had the opportunity to address issues and list ideas and demands on the forms provided in the break areas. I will need these forms no later than the end of the week, March 2, 2007. As I've said before, these forms are what you would like to see changed or added to the current Agreement. Forget what you have told me in the past; please write your ideas down. I must have something to refer to when modifications take place. You need not give your name, and they will all be kept in the strictest of confidence.

REMEMBER, THIS IS YOUR UNION

This is one of the things we pay dues for. We all have a voice and should absolutely take advantage of that.

You must all remember that when we stand together in Solidarity, we can and will accomplish anything.

Thank You.
