

RYDER LOGISTICS UNIT
CHAIRMAN'S REPORT #6
DATE: 12/09/08

NEW BUSINESS

The additional parts being brought in for Magna Powertrain have been slowly increasing over the past few weeks. All we can do is hope that this continues to grow into more work for the Plainfield location, supplementing production losses in other areas.

The company has continued talks with Lear Corporation. I have been informed that they are still negotiating. As with any new work it is subject to a bid process, where different companies compete for the business. Any new information will be communicated to you when it is received.

HOLIDAY SCHEDULE

We will be open for one (1) shift from 6:30 AM to 3:00 PM on Friday, December 26, 2008 and Friday, January 2, 2009. There will be no routes running.

THESE ARE VOLUNTEER DAYS. Refer to your Bargaining Agreement for language on Volunteer Day or see your Committeeman.

Remember that you must work the scheduled day before and after the Holiday to get paid for it.

GRIEVANCE OF NEW CLOCKING RULE

The Union is in the Third step of the grievance procedure in regards to the new rule of clocking out and in for lunch. A meeting between Sergio Gonzalez, myself, and 2 members of Management, is scheduled for December 17, 2008. I will be sharing the outcome of this meeting.

HOLIDAY DINNER

The company will be providing food for both shifts on the 17th of December. This same day will be our Quarterly Meeting from 2:45 PM to 3:15 PM in the warehouse.

Questions are encouraged.

Let me extend to all Local 933 Members and Staff, a Safe Holiday and Happy New Year!
