CHAIRMAN'S REPORT #7

DATE: 7/29/09

UNION'S SUMMER SCHOOL PROGRAM

Our Day Shift Committeeman and myself, have been selected to attend the Union's Summer School Program in Northern Michigan from August 3 – 7, 2009.

Due to the absence of Union Representation, a letter of understanding has been agreed upon that Management will not impose disciplinary actions during this time frame.

Management has informed me that they will still follow our Bargaining Agreement regarding the "no prior warning" section referring to immediate termination.

Disciplinary actions will resume on Monday, August 10th, when a Shop Committee member will be present.

Remember your rights as a Union member. You have the right to refuse an interview with Management (**only if you believe it may lead to discipline**), until you have a Union Representative present.

If there are any concerns, you may contact me on my cell phone or President Allen Harris at our Local Union Hall.
